**Columbus, OH, September 8, 2017:** We are proud to announce that Joe Borowski is a 2017 graduate of the Signature Program of Leadership Columbus. The mission of Leadership Columbus is to develop, connect and inspire diverse leaders who serve as catalysts in building a strong and vibrant community. The 10-month Signature Program is one of the top five community leadership programs in the country and is designed to give participants the tools they need to become active and influential leaders in the community.

The curriculum consists of monthly programs to get a better understanding of the history of Columbus and its various organizations – including economic development and government, criminal justice, human services and education. Each graduate also took part in a community impact project and Joe’s team project helped generate thousands of dollars for a local non-profit organization.

Joe joined GBQ in 2005, and is currently a Director in the Valuation and Financial Opinion Services group of GBQ Consulting LLC. In addition to business valuation engagements, Joe provides ESOP and transaction advisory consulting services.
