Reitzel Joins GBQ's Forensic and Dispute Advisory Team

.....

Columbus, OH, June 30, 2017: Anthony graduated with the class of 2015 from The Ohio State University. He majored in Business Administration with a specialization in Accounting. Anthony is a Columbus native, born and raised in Westerville, Ohio.

He worked for GBQ in the winter of 2016 as an intern and divided his time between the Assurance and Tax practices. He continued his internship through the summer of 2016, working in the State and Local Tax department before beginning full-time employment as a Rotation Staff Accountant in August 2016.

In May 2017 he joined the FDAS as part of his rotation, getting hands-on experience with forensic accounting and litigation support. As of October 2017, he became a permanent member of the FDAS team. What drew Anthony to FDAS was the wide variety of clients and projects he worked on in such a short amount of time. Each case presents new challenges that inspire him to think critically, many of which draw on his time spent in other disciplines within GBQ. He looks forward to growing in his new role and impacting our clients in positive and meaningful ways.
