- Information Systems Security Association (ISSA) Central Ohio Chapter
- Cloud Security Alliance (CSA) Ohio River Valley Chapter
- InfraGard Central Ohio Members Alliance

Larry joined GBQ in 2019 after serving as the CISO for the Americas division of DHL Supply Chain. His cybersecurity expertise is built on a foundation with over 30 years of experience working in various domains of project management, product management, and information technology.

Over the past 10 years, Larry has been dedicated to information security, and has focused on enterprise risk management and cybersecurity with roles in consulting, retail, insurance and logistics. Enterprise risk management includes working to ensure compliance with GDPR, PCI, HIPAA, NIST, ISO 27001/27002, as well as international, regional, state and local regulation. Larry's experience includes cross-border localization issues that impact a company's security posture.

Professional Certifications:
