Jessica joined GBQ in 2011, after beginning her career as a member of the assurance department at Dannible & McKee, LLP in Syracuse, NY.

She has over 12 years of experience in public accounting and has serviced a wide variety of clients, primarily in the SaaS, manufacturing and distribution, service and nonprofit industries. Jessica assists in leading GBQ's software and technology industry services team and has experience in working with companies in the start-up phase, as well as middle-market, privately owned businesses. She is also a member of the firm's employee benefit plan audit group.

Jessica is responsible for the planning and performance of numerous assurance engagements, and prides herself on getting to know her clients and their businesses as if they are her own. Jessica's diverse experience has allowed her to be effective in supporting her clients, whether providing consultation on complex technical accounting or other business management matters.

Jessica oversees all training and professional development activities of GBQ's assurance group and she is actively involved in the firm's recruiting efforts. She is also a member of the assurance department's efficiency and effectiveness committee.
