Education

The Ohio State University
B.S., Business Administration,
Accounting

Professional Associations

- American Institute of Certified Public Accountants
- The Ohio Society of Certified Public Accountants

Kyle attended The Ohio State University and graduated Cum Laude with a Bachelor of Science in Business Administration in 2012, majoring in Accounting. He joined GBQ in the summer of 2015 and serves a variety of clients and industries within the firm's Assurance practice.

Prior to joining GBQ, Kyle's public accounting career began in 2013 at Ernst & Young's McLean, Virginia office, where he was an audit senior. During his time at Ernst & Young, Kyle facilitated and led audits for clients in multiple industries including aerospace and defense, real estate, and others. Kyle's experiences included SEC reporting as well as requirements related to internal control over financial reporting in accordance with the Sarbanes Oxley Act and PCAOB regulatory standards.

At GBQ, Kyle provides assurance services to an array of private and public clients within the manufacturing, distribution and construction industries, among others. In addition, his client-service experience includes audits of employee benefit plans and nonprofit organizations. Kyle also advises clients on matters pertaining to internal control over financial reporting, providing counsel on risk assessment and mitigation activities, operating

effectiveness evaluations and remediation efforts, among others. In addition to professional services, Kyle supports GBQ's coaching, mentoring, and recruitment process for the onboarding of new professionals.

Before graduating from Ohio State, Kyle spent four years in the United States Marine Corps where he achieved the rank of Sergeant with the 5th Air Naval Gunfire Liaison Company out of Okinawa, Japan.
