### Hauser Promoted to Information Technology Services Manager

---

**Columbus, OH, February 1, 2021:** GBQ is pleased to announce that Brooke Hauser, CPA, has been promoted to Manager, Information Technology Services. Brooke is based in our Columbus, OH office.

Brooke joined GBQ in 2018 and provides technology assurance and consulting services across several industries, including financial institutions, manufacturing & distribution, healthcare and software companies. She is skilled in the software development process and assists clients with process improvement, including automation and Advance Data Analytics (ADA) projects. Brooke began her public accounting and consulting career performing internal and external audits for financial institutions, public companies and private businesses. Her experience also includes working as a software developer in agile environments with multiple object-oriented languages.

Brooke is an active participant in technology events throughout the Columbus community. She is also part of the Patient Family Advisor Council at the James Cancer Hospital and volunteers at Hope Hollow, an organization that provides lodging and transportation assistance for individuals traveling to Columbus for cancer treatments.

#### About GBQ

At GBQ, our purpose is clear: we [empower growth](#); growth of our people, our communities and our clients' businesses. A top tax, accounting and consulting firm for more than 68 years, we're driven by the outcomes that we know can change the lives of those we work with and for. We've learned that *this* is what matters most to our stakeholders. It is this purpose that drives and inspires us every day. It's why we exist.
