GBQ Welcomes Moellering, Transaction Advisory Services Director

Columbus, OH, January 20, 2022: GBQ is pleased to announce that [Tim Moellering, CPA](#), has joined the firm as a Transaction Advisory Services Director based in the Cincinnati office.

Throughout his career of nearly 30 years, Tim has assisted more than 500 business owners with managing or selling their business, resulting in nearly 100 transactions. His career began at Moellering Industries, where he served as CFO of the \$20 million dollar company and facilitated the sale of the company to what is now Sims-Lohman. Tim went on to join Baldwin Piano and ultimately participated in the sale of the company to Gibson Guitar. With two successful sales under his belt, he entered the business broker industry by purchasing a Sunbelt Business Broker franchise in Greater Cincinnati. In 2009, he sold the franchise and utilized his experience to provide strategic CFO and M&A consulting services to various companies.

At GBQ, Tim will assist the [Transaction Advisory Services](#) (TAS) team with various aspects of transactions, including valuation, due diligence, ESOPs, tax structuring, buy- and sell-side advisory and Quality of Earnings reports. Cincinnati Managing Director Dustin Minton shared, "With nearly 30 years of experience owning, managing, consulting and selling businesses within the Greater Cincinnati area, Tim will undoubtedly add immediate value to our firm and our clients. His leadership and depth and breadth of transaction expertise will be of tremendous value to our client base as we continue to strengthen our Cincinnati market presence alongside our growing TAS practice."

"Tim has established an outstanding track record of success for businesses and clients across the spectrum of transaction advisory services," added Tom Powers, Director, Assurance & Transaction Advisory Services. "As businesses continue to actively monitor market activity and explore opportunities, GBQ is pleased to empower growth of our clients by providing local resources and support for M&A transactions."
